Pharmacy Benefit Dimensions Pharmacy Drug Plan (PDP)

2023 Pharmacy Directory

Introduction

This booklet provides a list of Pharmacy Benefit Dimensions' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Pharmacy Benefit Dimensions PDP Formulary.

When this pharmacy director refers to "we," "us", or "our," it means Pharmacy Benefit Dimensions. When it refers to "plan" or "our plan," it means Pharmacy Benefit Dimensions PDP.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under Pharmacy Benefit Dimensions PDP only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription, but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **September 1, 2022**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please contact us or see the mail-order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside your service area, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the area in which you live or contact us at 1-800-667-5936, Monday through Sunday from 8 a.m. to 8 p.m. ET, (October 1 – March 31) and Monday through Friday from 8 a.m. to 8 p.m. ET, (April 1 – September 30). TTY users may call 711.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
