You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program through ProAct Pharmacy Services or Wegmans Mail Order Pharmacy Services. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill service, please contact us fourteen (14) days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by contacting our Medicare Member Services Department at (716) 504-4444 or 1-800-667-5936, Monday through Sunday from 8 a.m. to 8 p.m. (October 1 – March 31) and Monday through Friday from 8 a.m. to 8 p.m. (April 1 – September 30). TTY users may call 711. Or, you may contact your Mail Order Pharmacy, ProAct Pharmacy Services or Wegmans Mail Order Pharmacy Services at the contact information listed below.

Typically, you should expect to receive your prescription drugs within fourteen (14) business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at (716) 504-4444 or 1-800-667-5936, Monday through Sunday from 8 a.m. to 8 p.m. (October 1 – March 31) and Monday through Friday from 8 a.m. to 8 p.m. (April 1 – September 30). TTY users may call 711.
